Rochefort

Geographically in the center of the Charente-Maritime, Rochefort is also close to La Rochelle as Royan, Saintes and Cognac or islands of Ré and Oléron.

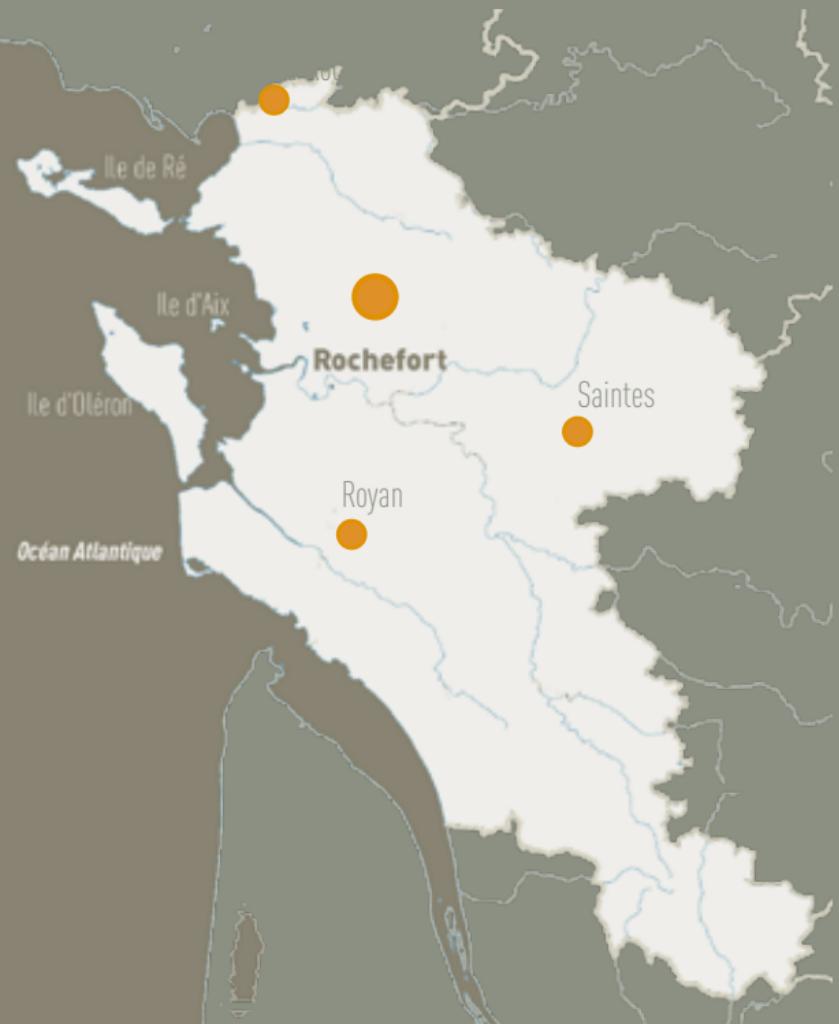

This Charente-Maritime arsenal city, was born in 1666 by the will of the "Sun King", who wanted to sit his ambition both on the land and sea.

He told Colbert building «the most beautiful and largest arsenal of the Ponant (old french for West) ». New city grid of wide streets lined with stone buildings of low-rise waist, nestled in a bend of the Charente.

Ninth Spa, Rochefort welcomes 15000 patients a year who appreciate the intensity of the light invades the wide avenues, the meeting with the market, the authenticity of the marsh and its flora, the presence of an unspoiled nature, the quality of life with the tides.

For over 20 years, she has restored reoccupied, driven an immense maritime heritage, unique in Europe, to one of the engines of its economy. Today, Rochefort is an invitation to travel through time and space.

She exudes the scent of adventure and exoticism to own arsenals which prepared the big expeditions.
